

Dear Participant of ECIS 2009

As we will have fewer participants than we initially expected we change the localities of the conference from “Dieselverkstaden” to “M7”. It is in the same area called “Sickla Köpkvarter” in the Municipality of “Nacka” ( spart of the greater Stockholm area).

M7 is located at the same park/open space as Dieselverkstaden. It is actually directly opposite to Dieselverkstaden. It is a brand new building so it will be perfect for our conference.

If you have any question regarding the conference, please do not hesitate to contact me:
